## CP 6372.541 - Comfort Panel

Aluminium enclosure, high thermal conductivity for optimum passive heat dissipation. Low weight coupled with high stability. Protection category IP 65 to IEC 60 529.

#### Features

| Model No.       | CP 6372.541   |
|-----------------|---|
| Design          | Support arm connection, rectangular 120 x 65 mm             |
| Benefits        | Aluminium enclosure, high thermal conductivity for optimum  |
|                 | passive heat dissipation.                                   |
|                 | Low weight coupled with high stability                      |
|                 | Compatible with all Rittal stand and support arm systems    |
| Material        | Enclosure: Extruded aluminium section                       |
|                 | Corner pieces: Die-cast zinc                                |
|                 | Corner protectors: Plastic                                  |
| General colour  | Natural anodised  |
| Colour          | Enclosure: Natural anodised                                 |
|                 | Corner pieces: RAL 7035                                     |
|                 | Corner protectors: similar to RAL 7024                      |
| Supply includes | Enclosure with cut-out for support arm connection           |
|                 | 3 mm double-bit lock insert may be exchanged for 41 mm lock |
|                 | inserts, plastic handles and T handles, type C              |
|                 | Seals and assembly parts for front panels                   |
|                 | Hinged rear panel, hinging on the longest side              |

## Features

| Dimensions                              | Width: 628.5 mm  |
|---|--|
|   | Height: 508.5 mm   |
|   | Depth: 92 mm   |
| Installation depth                      | 74 mm  |
| IP protection category to IEC 60<br>529 | IP 65  |
| Protection category NEMA                | NEMA 12  |
| To fit front panel width                | 520 mm   |
| To fit front panel height               | 400 mm   |
| Design                                  | Servicing access from the rear   |
| Note                                    | The support arm connection may be swapped over by rotating the enclosure |
| Basic material                          | Aluminium  |
| Lock                                    | Lock version: Screw lock   |
| Packs of                                | 1 pc(s).   |
| Net weight                              | 8.8  |
| Gross weight                            | 10.4   |
