DK 7163.500 - Podpora za kable tečajji, s sponko

For secure routing of connection cables from the component shelf to the clamping point, the attachment may be released on both sides thanks to clamps.

Features

Št. Modela	DK 7163.500
Material	Jeklena pločevina
Površinska obdelava	Pocinkano
Obseg dobave	Sestavni deli
Opomba	Največja globina polic komponent = globina ohišja - 100 mm.
Primerno za	Globina: ≤ 600 mm
Paketi	1 pc(s).
Neto teža	0,52 kg
Bruto teža	0,586 kg
Carinska tarifna številka	73269098
ETIM 9	EC000322
ECLASS 8.0	27400604
Opis izdelka	DK Cable support, hinged, with clamp, For D: ? 600 mm, Max. depth component shelf = depth rack-100 mm
