TS 8609.110 - Divider panel for module plates for TS

With cut-outs for the installation of module plates for connectors or for cable entry, and also for the entry of busbar systems and other installed equipment.

Features

| | |
|---------------------|--|
| Model No. | TS 8609.110 |
| Product description | With cut-outs for the installation of module plates for connectors or for cable entry, and also for the entry of busbar systems and other installed equipment. All-round, double fold for stability and to hold the seal. Thanks to the symmetry of the enclosure frame, divider panels may also be fitted at the rear, dimensions permitting. |
| Benefits | More options: The cut-outs of a divider panel are individually equipped with module plates for 16-pole or 24-pole connectors, with module plates for cable entry and with solid module plates. Faster assembly: Usually only some of the total number of connector cut-outs are used. Due to the new divider panel technique, the cut-outs do not need to be covered individually. The solid module plate is used instead. The benefit: Less plates, less screws, less assembly work. |
| Applications | Notches in the corners and half-way up the sides permit the use of angular baying brackets and baying brackets, even with a divider panel fitted. |

Features

| | |
|-----------------------|---|
| Material | Sheet steel, 2.0 mm |
| Surface finish | Zinc-plated |
| Supply includes | Assembly parts and multi-tooth screws M5 x 12 mm for mounting the module plates. |
| To fit | Enclosure type: TS Height: = 1,800 mm Depth: = 600 mm |
| Installation options | For mounting on the outer mounting level This leaves the inner level free for further population |
| Packs of | 1 pc(s). |
| Net weight | 9.362 |
| Gross weight | 9.855 |
| Customs tariff number | 94039910 |
| EAN | 4028177211735 |
| ETIM 9 | EC002525 |
| ECLASS 8.0 | 27182102 |
