# VX 8620.071 - Base/plinth trim panels, side, 100 mm, stainless steel for base/plinth system VX

Stainless steel base/plinth trim panels are used in the depth to finish off a base/plinth unit at the sides or for the interior installation of bayed base/plinths. The 100 mm high trim panels may also be used in a 200 mm high base/plinth and combined.

## Features

|                       |                                                                                                                                                                                                                                              |
