VX 8620.091 - Kryty podstavca, odvetrávané pre systém podstavca VX

For venting the enclosure via the base/plinth. Specifically in applications such as power distribution where the enclosure gland plates are not used, this can be used to achieve a higher air throughput inside the enclosure. Various solutions to raise the roof and special roof plates with vent openings are also available for enclosure venting. With a 200 mm base/plinth height, one or two vented trim panels may optionally be used. Thanks to the complete symmetry of the base/plinth system VX, the trim panels may either be fitted at the front, rear or side on the base/plinth corner piece.

Features

Obj. č.	VX 8620.091
Materiál	Oceľový plech
Farba	RAL 9005
Rozsah dodávky	Vrátane upevňovacieho materiálu
Rozmery	Výška: 100 mm
Vhodné pre	Typ skrine: VX TX CableNet Šírka/hĺbka: 800 mm
Type rating podľa UL 50E	Type 1, 12
Hmotnosť/balenie	1,95 kg
Balenie	2 pc(s).
Netto hmotnosť	1,8 kg
Brutto hmotnosť	2,2 kg
Číslo colnej sadzby	94039910
ETIM 9	EC000721
ECLASS 8.0	27182003
Popis výrobku	VX Base/plinth trim panel, vented, for W/D: 800 mm, sheet steel
