# SK 3245.080 - Hose-proof hood to increase the protection category

Particularly for applications in the food industry, the hose-proof hood prevents the ingress of damp. The protection category IP 56 is achieved in conjunction with a standard filter.

## Features

|                                     |  |
|-------------------------------------|--|
| Model No.                           | SK 3245.080  |
