TS 8184.500 - Side panels, asymmetrical for TS 8

Side panels, asymmetrical, sheet steel, for TS.

Features

Model No.	TS 8184.500
Product description	The alternative to the standard side panel for improved visual appearance in the event of back-to-back, back-to-side or corner baying. The gap which occurs with standard side panels is reduced to a standard dimension. In the case of the TS 8 corner enclosure, an asymmetrical side panel is included in the supply. The number of additional asymmetrical side panels required depends on the chosen baying variant.
