SZ 2436.800 - Corrosion protection primer

Single-component primers are ideal to protect against corrosion in areas where the paint has been removed due to cut-outs or similar. This serves to re-create corrosion resistance in the paint-free area. The primer satisfies the requirements of standard IEC 61439 for low-voltage and switchgear assemblies.

Features

Model No.	SZ 2436.800
Product description	Single-component primers are ideal to protect against corrosion in areas where the paint has been removed due to cut-outs or similar. This serves to re-create corrosion resistance in the paint-free area. The primer satisfies the requirements of standard IEC 61439 for low-voltage and switchgear assemblies.
Benefits	Exceptional bonding Active protection from corrosion Very high filling force
Colour	Dark grey
Contents	12 ml
Delivery form	Paint pen
Packs of	1 pc(s).
Net weight	0.033 kg
Gross weight	0.034 kg
Customs tariff number	32129000
ETIM 9	EC001899
ETIM 8	EC001899
ECLASS 8.0	27409253
Product description	SZ Corrosion protection primer, color pen, 12 ml, Colour: Dark grey
