DK 7158.100 - Cable management duct, horizontal 482.6 mm (19")

Facilitates concealed, simple cable routing of large quantities of cables within the 482.6 mm (19") attachment level, for simple handling, the entire front panel may be removed via quick-release fasteners.

Features

Model No.	DK 7158.100
Product description	The duct facilitates concealed, simple cable routing of large quantities of cables to equipment within the 482.6 mm (19") attachment level. Large cut-outs ensure convenient, kink-free cable routing to the components top and bottom. For simple handling, the entire front panel may be removed via quick-release fasteners. After attaching the cables, these are held in position via nylon loop tapes, whilst the duct may be resealed.
Material	Sheet steel
Surface finish	Spray-finished
Colour	RAL 7035
Supply includes	5 nylon loops
Units	2 U
Packs of	1 pc(s).
Net weight	1.7
Gross weight	1.762
Customs tariff number	83024200

Features

EAN	4028177500334
ETIM 9	EC000322
ECLASS 8.0	27400604

Tender text

482.6 mm (19") cable management duct, horizontal

The duct enables a large number of cables to be easily concealed and routed to components installed inside the 19" attachment level. Large cutouts ensure convenient, kink-free cable routing to the top and bottom components.

The entire front panel can be removed using the quick release fasteners to ensure easy handling. Velcro fasteners can be used to hold the cables in place after they have been fitted and whilst the duct is being re-closed.
