# SG 2370.541 - LED flashing light component for signal pillar, modular

With 360° signal transmission due to optimized prism system.

## Features

|                                     |   |
|-------------------------------------|---|
| Model No.                           | SG 2370.541   |
| Version                             | LED flashing light component  |
| Benefits                            | Easy mounting and contact via bayonet fastener.<br>With 360° signal transmission thanks to optimized prism system<br>Configuration of up to five components with the same voltage.<br>Components are available in a range of colors and voltages. |
| Function principle                  | A modular layout is possible with connection, optical and acoustic components and a label panel   |
| Material                            | Housing of polyamide<br>Cap: Transparent polycarbonate  |
| Color                               | Blue  |
| Protection category IP to EN 60 529 | IP 65, when cover or acoustic component is mounted on top   |
| Rated operating voltage             | 24 V (AC/DC)  |
| Packaging unit                      | 1 pc(s).  |
| Net weight                          | 0.072 kg  |
| Gross weight                        | 0.073 kg  |
| Customs tariff number               | 85311095  |
| ETIM 9                              | EC000232  |
| ETIM 8                              | EC000232  |
| ECLASS 8.0                          | 27371220  |
| Product description                 | SG LED flashing light component, blue   |
