# DK 7462.000 - Patch panels for small fibre-optic distributors

Patch panel for small fiber optic distributors for ST, SC, E-2000 and E-2000 duplex couplings.

## Features

|   |   |
|---|---|
| Model No.                                   | DK 7462.000   |
| Product description                         | Various patch panels with different connector types are available for individual configuration of small fiber-optic distributors. |
| Material                                    | Carbon steel  |
| Color                                       | RAL 7035  |
| Supply includes                             | Patch panel<br>Assembly components  |
| Number of patch panels per enclosure (max.) | 2   |
| Base material                               | Carbon steel  |
| for fiber-optic coupling                    | ST  |
| Number of locations                         | Single: 12<br>:   |
| Packaging unit                              | 2 pc(s).  |
| Net weight                                  | 0.152   |
| Gross weight                                | 0.169   |
| PCF/VE (cradle-to-gate)                     | 0.6 kg CO2 eq (Cat B)   |
| Information regarding the PCF class         | Category B: PCF value (cradle-to-gate) calculated approximately on the basis of the product weight and self-declared              |
| Customs tariff number                       | 94039910  |
| EAN   | 4028177130746   |
| ETIM 9                                      | EC001130  |
| ECLASS 8.0                                  | 19170113  |
