Depth members as installation kit

State: 11/15/2026 (Source: www.rittal.com/us-en)

DK 7827.800 - Depth members as installation kit for profile rails, 482.6 mm (19")

Consists of 4 depth stays to accommodate profile rails.

Features

Model No.	DK 7827.800
Product description	Installation in 800 mm enclosure width: The installation kit consists of 4 depth members to accommodate profile rails. One pack is sufficient to configure one or two 19" mounting levels. For extremely heavy installed equipment it is advisable to use an additional depth member in the middle. The front cut-out makes cable routing easier in the case of complete configuration.
