

# DK 7950.100 - Adhesive Measurement Strip, 482.6 mm (19")

With numerical labeling on a 482.6 mm (19") hole pattern for clear identification of the various height units, up to max. 56 U.

## Features

|                         |   |
|-------------------------|---|
| Model No.               | DK 7950.100   |
| Version                 | Labeling range 1 – 56 U   |
| Product description     | With numerical labeling on a 19" hole pattern for clear identification of the various height units.                                 |
| Benefits                | Double-sided labeling allows the counting direction to be freely selected<br>Clear documentation of the various built-in components |
| Applications            | To retrofit to existing 19" profiles<br>For sticking onto the side adjacent to the system perforation                               |
| Material                | Carbon steel, spray finished  |
| Dimensions              | Width: 6 mm<br>Width: 0.24 "  |
| Installation dimensions | Installation depth for components: 482.6 mm<br>Installation depth for components: 19 "  |
| Packaging unit          | 1 pc(s).  |
| Net weight              | 0.026 kg  |
| Gross weight            | 0.026 kg  |
| Customs tariff number   | 49119900  |
| ETIM 9                  | EC001288  |
| ECLASS 8.0              | 27149129  |
