IT 7998.910 - RiMatrix IT Container

Ready-to-connect IT infrastructure in a robust container shell, as standardized IT modules in a range of output categories classes for SME, Cloud and Edge applications.

Features

Model No.	IT 7998.910
Product description	Ready-to-connect IT infrastructure in a robust container shell, as standardized IT modules in a range of output categories for SME, Cloud and Edge applications.
Benefits	Individual container solutions Predefined Data Center Container variants Predefined components Project planning and complete documentation of all components Short planning phase and delivery time Complete turnkey system
Applications	SME, cloud and Edge applications IT module for both low power categories as well as larger HPC applications, individually adaptable to the IT equipment power loss
Function principle	The IT modules contain the entire infrastructure for the IT equipment, ready for connection for infrastructure container or conventional infrastructure . In addition to mechanical mounting of the IT equipment in the form of racks, an IT module additionally contains the power distribution, cooling system and monitoring components. An uninterrupted power supply and cooling are provided separately.
Packaging unit	1 pc(s).
Customs tariff number	85480090
ETIM 9	EC002499
ECLASS 8.0	27180207
