# TS 8609.110 - Divider panel for module plates for TS

With cut-outs for the installation of module plates for connectors or for cable entry, and also for the entry of busbar systems and other installed equipment.

## Features

|                     |   |
|---------------------|---|
| Model No.           | TS 8609.110   |
| Product description | With cut-outs for the installation of module plates for connectors or for cable entry, and also for the entry of busbar systems and other installed equipment. All-round, double edging for stability and to accommodate the seal. The symmetry of the enclosure frame means divider panels of the appropriate dimensions can also be fitted at the rear.   |
| Benefits            | More options: The cut-outs of a divider panel are individually equipped with module plates for 16-pole or 24-pole connectors, with module plates for cable entry and with solid module plates.<br>Faster assembly: Usually only some of the total number of connector cut-outs are used. Thanks to the new divider panel technique, the cut-outs do not need to be covered individually. The solid module plate is used instead. The benefit: Fewer plates, fewer screws, less assembly work. |
| Applications        | Notches in the corners and half-way up the sides permit the use of angular baying brackets and baying brackets, even with a divider panel fitted.   |

# Features

|                       |  |
|-----------------------|--|
| Material              | Carbon steel, 2.0 mm   |
| Surface finish        | Zinc-plated  |
| Supply includes       | Assembly components and multi-tooth screws M5 x 12 mm for mounting the module plates.                                    |
| Suitable for          | Enclosure type: TS<br>Height: = 1,800 mm<br>Depth: = 600 mm<br>Enclosure type: TS<br>Height: = 70.9 "<br>Depth: = 23.6 " |
| Installation options  | Mounted on the outer mounting level<br>The inner level remains free for further expansion                                |
| Packaging unit        | 1 pc(s).   |
| Net weight            | 9.362 kg   |
| Gross weight          | 9.855 kg   |
| Customs tariff number | 94039910   |
| ETIM 9                | EC002525   |
| ECLASS 8.0            | 27182102   |
| Product description   | TS Divider panel, for module plates, for WD: 1800x600 mm, Number of cut-outs: 9  |
