ENCLOSURES

## VX 8620.094 - Base/Plinth Trim Panels with Brush Strip For VX base/plinth systems

The 100 mm high base/plinth trim panels can be used in the depth or the width for cable entry into the base/plinth. The trim panels can also be used in 200 mm high base/plinths and they can be combined with other 100 mm high trim panels.

#### Features

| For cable entry into the base/plinth. If the base/plinth height is 200 mm, one or two trim panels with brush strips can optionally be used. The VX base/plinth system's complete symmetry allows the trim panels with brush strips to be mounted either at the front, rear or side of the base/plinth corner piece. |
