# VX 8620.095 - Base/Plinth Trim Panels with Brush Strip

## For VX base/plinth systems

The 100 mm high base/plinth trim panels can be used in the depth or the width for cable entry into the base/plinth. The trim panels can also be used in 200 mm high base/plinths and they can be combined with other 100 mm high trim panels.

## Features

|                                 |   |
|---------------------------------|---|
| Model No.                       | VX 8620.095   |
| Product description             | For cable entry into the base/plinth. If the base/plinth height is 200 mm, one or two trim panels with brush strips can optionally be used. The VX base/plinth system's complete symmetry allows the trim panels with brush strips to be mounted either at the front, rear or side of the base/plinth corner piece. |
| Material                        | Base/plinth trims: Carbon steel<br>Brush strip: Plastic, self-extinguishing   |
| Color                           | RAL 9005  |
| Supply includes                 | Assembly components   |
| Dimensions                      | Height: 100 mm<br>Height: 3.94 "  |
| Suitable for                    | Width/depth: 1,200 mm<br>Width/depth: 47.2 "  |
| Type rating according to UL 50E | Type 1, 12  |
| Weight/packaging unit           | 2.8 kg<br>6.2 lb.   |
| Packaging unit                  | 2 pc(s).  |
| Net weight                      | 2.5   |
| Gross weight                    | 2.8   |
