TS 8800.110 - Hinge For TS sidewall, screw fastened, carbon steel

The 180° opening angle allows unhindered access. Can be installed optionally from the inside or outside of the enclosure. A hinge can be used in place of three enclosure panel holders. The enclosure retains the same protection category when a hinge used.

Features

Model No.	TS 8800.110
Product description	The 180° opening angle allows unhindered access. Can be installed either from the inside or outside of the enclosure.
Benefits	The enclosure retains the same protection category, even when a hinge is used
Applications	Use a hinge instead of the three enclosure panel holders
Material	Die-cast zinc
Color	RAL 7035
Supply includes	Assembly screws
Note	Side panel and door hinges may only be installed on the same enclosure section when using a 180° door hinge Caution! The hinged and unhinged side panels, and the doors and rear panels, must always be opposite one another. Only one surface may be hinged on each vertical enclosure profile (side panel hinges).
Packaging unit	6 pc(s).
Net weight	0.87 kg
