TS 8800.808 - Snap-on nut TS

Mounted on the vertical TS/SE enclosure profile. When the screw is tightened, it is securely braced against the profile, and equipotential bonding is automatically created.

Features

Model No.	TS 8800.808
Product description	Metric thread for vertical TS/SE enclosure profile. To mount, insert and clip into slotted holes. The snap-on nut is then secured in place. When the screw is tightened, it is securely braced against the profile, and equipotential bonding is automatically created.
Benefits	An alternative to metal screws Particularly well-suited for dynamically-loaded connections
Material	Precision-cast stainless steel
Installation options	On the vertical TS, VX SE enclosure profile and on the horizontal VX SE enclosure profile (top, in the width).
Dimensions	Thread: M8
Suitable for enclosure type	TS VX SE
Thread	M8
Packaging unit	20 pc(s).
Net weight	0.82
Gross weight	1.04
Customs tariff number	73269098
EAN	4028177442511
