# TS 8808.548 - Baying systems TS 8 Type 3R

Rittal perfected the concept of the industrial modular enclosure with the TS 8 series. These single door, UL Type 3R rated enclosures consist of a frame with door, rear wall, and roof plate. Purchase sidewalls and plinth separately for complete assembly.

## Features

|                          |                                                                                                                                                                              |
