State: 9/5/2025 (Source: rittal.com/us-en)

# VX 9680.025 - Baying-enclosure system VX25 Isolator enclosure

Baying system for the distribution of electrical power with slimline fuse-switch disconnectors (from ABB or Jean Müller).

#### **Features**

| Model No.       | VX 9680.025                                                       |
|-----------------|-------------------------------------------------------------------|
| Material        | Carbon steel, 1.5 mm                                              |
| Surface finish  | Enclosure frame: Dipcoat-primed                                   |
|                 | Door, roof and rear panel: Dipcoat-primed, powder-coated on the   |
|                 | outside, textured paint                                           |
|                 | Base plates: Zinc-plated                                          |
| Color           | RAL 7035                                                          |
| Supply includes | Enclosure frame                                                   |
|                 | Door                                                              |
|                 | Roof plate                                                        |
|                 | Rear panel                                                        |
|                 | Base Plates                                                       |
|                 | Front Trim Panels                                                 |
|                 | Lock: 3 mm double-bit                                             |
|                 | Compartment side panels                                           |
|                 | Locating frame for isolators with fuses (brands ABB SlimLine/Jean |
|                 | Müller SASIL)                                                     |
