# WM 9975.034 - Swing Panel Kit

The Swing Panel Kit is installed on wall-mount enclosures, and allows the mounting of components directly behind the enclosure door. The swing panel also provides a barrier against incidental contact with live components during routine maintenance.

## Features

|                       |  |
|-----------------------|--|
| Model No.             | WM 9975.034                                      |
