Slide rail, heavy-duty for TS network enclosures with two mounting levels – DK 7492.060

created: 28.09.2020 build on www.rittal.com/si-sl

Product description

Description: To support heavy installed equipment. The slide rails are simply located into the cranked mounting angles and secured with screws. The combined use with additional depth stays or, in case of 80 mm wide enclosures, with the additional fastening attachment counteracts possible bending of the mounting angles in case of unevenly distributed loads.

Material: Sheet steel

Surface finish: Zinc-plated

Supply includes: Assembly parts

Note: Not suitable in combination with 482.6 mm (19") mounting frame

Product features

To fit: Enclosure type: TS 8

Distance between levels: 598 mm

Contact surface: Width: 55 mm
Depth: 561 mm

Load capacity: 80 kg, static load

Packs of: 2 pc(s).

Weight/pack:	1,48 kg
Copper weight (kg per piece):	0
