

# Seeing is Believing - Experience Rittal Enclosure Solutions in Person at Your Facility

Staying on top of new technologies and innovative products is essential to keeping operations running smoothly and meeting production goals. Rittal brings the latest in industrial enclosures, racks and accessories, climate control, power management, and more right to your door.

- ✓ Talk to experts one-on-one
- ✓ Discuss solutions to fit your needs
- ✓ First look at new products
- ✓ Product demos and trainings
- ✓ Experience the product quality firsthand
- ✓ Realize the space savings
- ✓ Hands on product interaction

## Junction Boxes

- PK polycarbonate
- KX carbon steel screw-cover
- KX carbon steel hinge-cover
- JB carbon and stainless-steel wall-mount
- KX e-box
- KX terminal box
- Atex
- KX Stainless Steel Terminal Box

## Wall-mount Enclosures

- WM carbon and stainless steel
- WM carbon steel disconnect
- AX carbon steel
- AX fiberglass reinforced polyester
- Ex-wall-mount for hazardous locations
- AX compact enclosures
- AX fiberglass black trim & fiberglass with window and pink trim
- AX Stainless Steel

## Human Machine Interface (HMI) Enclosures

- PB carbon and stainless-steel pushbutton boxes
- CP aluminum and stainless-steel support arm systems
- AX carbon steel command panels
- Support arm systems (120 & 60) with AX command panel
- PB enclosure in RAL1018 (yellow)
- CX one piece console

## Freestanding Enclosure Systems

- TS 8 carbon steel modular
- TS 8 carbon steel modular disconnect system
- TS 8 316 stainless steel enclosure with heat exchanger
- TS 8 FMD - Window kit, interface flap, fold down shelf, filter fan, busbar on mpl, and LED lighting inside
- TS 8 with Blue e+ AC and IoT module - 3R fan shroud on sidewall. Blue+ running and connected to IoT module

## TS 8 Modular Enclosure System Accessories

- Handles / lock systems
- Interior system accessories – lights, shelves, chassis, and swing frames
- External system accessories – leg kits, viewing windows, and interface flaps
- TS 8 modular enclosure accessories

## Power Distribution Products

- RiLine compact copper busbar system – up to 125 Amps
- RiLine 60 copper busbar system – up to 1600 Amps
- RiLine busbar system accessories

## RiLine Busbar System Accessories

- Ground / neutral busbar systems
- Laminated copper busbar conductors
- Touch safe cover systems

## Climate Control Systems

- Top Therm air-to-air heat exchanger
- Thermoelectric cooler
- Enclosure heaters
- Blue e+S AC unit
- Climate panel with filter fan, outlet filter, thermostat and hygostat, thermoelectric cooler, fan shroud, heaters, and Air / Air heat exchanger
- Blue E+ Fan and Filters

## Climate Control System Accessories

- Thermostats and hygostats
- Fan shrouds
- IoT modules

## Hygienic Design (HD) Products

- Hygienic Design PB enclosures
- HD fan shroud and window kit
- HD stainless steel hygienic design
- HD Hygienic Design air-to-water heat exchanger
- HD compact enclosure
