FRIEDHELM LOH GROUP

## Junction Boxes

- PK polycarbonate
- KX carbon steel screw-cover
- KX carbon steel hinge-cover
- JB carbon and stainless-steel wall-mount
- KX e-box
- KX terminal box
- Atex

## Wall-mount Enclosures

- WM carbon and stainless steel
- WM carbon steel disconnect
- AX carbon steel
- AX fiberglass reinforced polyester
- Ex-wall-mount for hazardous locations
- WM FMD - Floorstand kit, window kit, and 3R roof shroud installed
- AX compact enclosures
- AX fiberglass black trim & fiberglass with window and pink trim

## Human Machine Interface (HMI) Enclosures

- PB carbon and stainless-steel pushbutton boxes
- TP carbon steel freestanding console system
- CP aluminum and stainless-steel support arm systems
- AX carbon steel command panels
- TP one piece console
- Support arm systems (120 & 60) with AX command panel
- PB enclosure in RAL1018 (yellow)

## Freestanding Enclosure Systems

- TS 8 carbon steel modular
- TS 8 carbon steel modular disconnect system
- TS 8 stainless-steel modular
- TS 8 316 stainless steel enclosure with heat exchanger
- TS 8 FMD - Window kit, interface flap, fold down shelf, filter fan, busbar on mpl, and LED lighting inside
- TS 8 with Blue e+ AC and IoT module - 3R fan shroud on sidewall. Blue+ running and connected to IoT module

## TS 8 Modular Enclosure System Accessories

- Handles / lock systems
- Interior system accessories – lights, shelves, chassis, and swing frames
- External system accessories – leg kits, viewing windows, and interface flaps
- TS 8 modular enclosure accessories
- TS 8 Suite, 2 enclosures (18H X 6W X 6D) with miscellaneous accessories installed. Suiting brackets, compact RiLine, partial mpl, and swing frame, rails, lights, viewing door, etc.

## Power Distribution Products

- RiLine compact copper busbar system – up to 125 Amps
- RiLine 60 copper busbar system – up to 1600 Amps
- RiLine busbar system accessories

## RiLine Busbar System Accessories

- Ground / neutral busbar systems
- Laminated copper busbar conductors
- Touch safe cover systems

## Climate Control Systems

- Top Therm filter fans and filters
- Top Therm air-to-air heat exchanger
- Thermoelectric cooler
- Enclosure heaters
- Blue e+S AC unit
- Climate panel with filter fan, outlet filter, thermostat and hygostat, thermoelectric cooler, fan shroud, heaters, and Air / Air heat exchanger

## Climate Control System Accessories

- Thermostats and hygostats
- Fan shrouds
- IoT modules

## Hygienic Design (HD) Products

- Hygienic Design PB enclosures
- HD fan shroud and window kit
- HD WM enclosures
- HD stainless steel hygienic design
- HD Hygienic Design air-to-water heat exchanger
